

# Yair Godofredo Guadarrama Gonzaga

Full-Stack Jr Developer

(+52) 55 3558 6521  
Mexico City, Mexico.  
yair.g.guadarrama@gmail.com

**PROFILE** Committed developer with experience in financial services and customer support, focused on continuing to grow in an environment that allows me to apply and expand my technical skills in web development while leveraging my communication and relationship management skills to contribute to the success of the team and the company.

**PROFESSIONAL EXPERIENCE** **KODEMIA - Full-Stack Developer**  
**FAIREFAC Project | January 2024-January 2025**

- Backend Development: Designed and implemented a RESTful API using Node.js and Express, Following a layered architecture to ensure scalability and maintainability.
- Authentication and Security: Implemented JWT for user authentication and password encryption with Bcrypt.
- External Service Integrations: Integrated AWS S3 for file Storage, geoNames API for geolocation, and Nodemailer for email delivery.
- Payment Gateway: Set up and optimized Stripe to manage secure payments and enhance the user experience.
- NoSQL Database: Designed and managed a MongoDB Database, using Mongoose for model and relationship handling.
- Frontend Development: Created responsive interfaces and reusable components using Next.js.
- Agile Methodology: Collaborated in an agile team environment using SCRUM to ensure efficient and timely deliveries.
